**April 2016**

Dear local resident,

### **WEDNESDAY AFTERNOON TALKS**

As noted in the minutes of the residents' meeting on 24th February held here at the Cambrian Centre, we are working on a suggestion made by some local residents of a programme of regular talks. The cost of these talks will be covered by funding from L&Q for which we are very grateful.

We now have some dates for your diaries.

The talks will be held on Wednesday afternoons at 1.30pm - the first three topics are as follows:

- **Wednesday 27 April at 1.30pm - Richmond Workhouse**

Felix Lancashire from the Richmond Local Studies will be talking about the records held in regards to the Richmond Workhouse and what these tell us about the people who lived at the Workhouse. As many of you are aware the Richmond Workhouse is of special significance to the development of the Queens Road Estate.

- **Wednesday 4 May at 1.30pm- Richmond Park- Past and Present**

Max Lankester from the Friends of Richmond Park will be talking about Richmond Park – looking at the history and wildlife.

- **Wednesday 11 May at 1.30 pm- Kew Gardens**

Mary Done will be talking about Kew Gardens

The talks are **free** - tea and coffee will be available and all are welcome – no need to book- just call in on the day ready for a start time of 1.30pm

If you would like to know more details or suggest some subjects for future talks please contact me on 020 8948 3351 or [manager@cambriancentre.org](mailto:manager@cambriancentre.org)

We are still running our other regular sessions including **Singing, Stay and Play for under 5s, Exercise Class, Line Dancing, Computer Sessions, Drawing Group and Family Fitness for parents/carers and their under 5s.**

If you want to know more about these sessions, or need help with transport, please contact me as above or visit our website [www.cambriancentre.org](http://www.cambriancentre.org)

Looking forward to seeing you at the talks

Mary McDonald (manager Cambrian Community Centre)
