Dear local resident,

WEDNESDAY AFTERNOON TALKS

Many thanks to those of you who supported our first three talks- we now have some more dates for your diaries. The talks will be held on Wednesday afternoons at the slightly earlier time of **1.00pm** - the next three topics are as follows:

- **Wednesday 1 June at 1.00pm – The Extraordinary Dr Epstein**
Susan Lee Kerr talks about her novel, *The Extraordinary Dr Epstein*, which is the true life of an astonishing 19th century immigrant so bound to truth that he constantly reinvents himself. As his great granddaughter, Susan drew on family stories, fact and imagination for this riveting tale of twists, turns and utter grit.
- **Wednesday 8 June at 1.00pm- Colour Analysis**
Rachel Green will talk about how colour underpins everyone's image, whether it is make-up, clothes, hair or accessories. Even in the most neutral wardrobe it is useful to know what your best colours are and how to wear them.
- **Wednesday 15 June at 1.00 pm- The Vineyard Project**
Desiree Shepherd will talk about the Vineyard Project and some of the ideas for their next stage of development –now that they have a base at Dickson House

The talks are **free** - tea and coffee will be available and all are welcome – no need to book- just call in on the day ready for a start time of 1.00pm

If you would like to know more details, or suggest some subjects for future talks please contact me on 020 8948 3351 or manager@cambriancentre.org

Also please contact me if you would like help getting to the Centre.

A date for your diaries- **Sunday 12 June** 11am -4pm– the Centre will be holding a bric-a brac sale plus books, tombola, teas/coffees. An opportunity to buy some bargains and support your local community centre.

Looking forward to seeing you at one of the above events.
